Re: Docket No. 02-6

Jean Piaget Academy

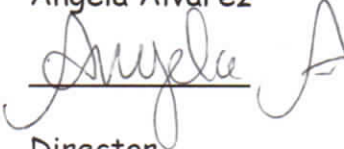

Ben# 17012721

I would like to file an appeal for FRN #1799033938 for spin #143003990 with Comcast being our service provider. I am filing an appeal because our form 471 revised appears to be incorrect. I was supposed to change the speed for the internet in the drafted form 471 FCC registration # 0026069427 from 50 Mbps to 60Mbps. But I do not know why our original right now appears to have our monthly recurring charges \$0.00. But the eligible pre-discount recurring charges appear to be one-time charges of 1,319.40. I need to change these recurring charges to be monthly again. Due to this inconvenience, the service provider is unable to invoice USAC. On his date base, all the information appears to be 0.00. I am uploading the original contract as well as the drafted form 471 so you can see the error. The total monthly recurring cost that needs to be place in is 109.95. Also, the service provider is telling me that all the information was wipe out from his system.

Thank you for your attention on this matter. I being having this issue for the past 3 months trying to resolve our problem with the form 471..

Sincerely,

Angela Alvarez
